

### Alignment Committee Report

**April 13, 2026**

To Members of District 86 Council;

The District 86 Alignment Committee has been charged with reviewing the club, area and division composition and to prepare recommendations for the year beginning July 1, 2026.

This report has been prepared for distribution to all District Council members to review, ahead of the April 28, 2026, annual business meeting.

This report was presented and adopted by the District Executive committee on February 21, 2026. A few edits have been made since the DEC meeting and are documented on the change tracker page prior to the division charts.

At the time of this report, District 86 has 94 paid clubs, 10 clubs with low or ineligible memberships and several prospective new clubs, in addition to 4 clubs already chartered this term.

Toastmasters International, Policy & Protocol 7.0 District Structure and District Administrative bylaws Article XI, only clubs in good (paid) status can be used for the purpose of alignment. Districts are directed that there be no less than 4 clubs in an area and that divisions have no less than 4 areas. (a minimum of 16 clubs per division).

The alignment committee consists of a chair and the Division Director of each division.

District Director	Bhushan Rele, DTM
Committee Chair	Cathy Herschell, DTM, PDD
Division C Director	Xiao Dong Zhu
Division D Director	Sana Qalbani
Division E Director	Joshua Quilatan
Division L Director	Ryan Kaupert
Division S Director	Lakshmi Gannavarpu
Division T Director	Randy Moore

Districts assign clubs to Areas based upon:

- Geographic proximity to other clubs
- The ability of an Area Director to effectively provide service, without requiring the clubs to change how meetings are conducted to accommodate an Area Director visit
- Club size and strength (e.g., paid, active, disbanding)
- Prospective clubs and expected growth
- The likelihood of eligibility for Distinguished programs (e.g., club base of the Area or Division)

Input was requested from all divisions.

During the review process reviewing the locations of current clubs it was determined that in Divisions C and E, that the Division boundaries could be clearer and the overlapping of areas be simplified.

As a result, several clubs in Division C & E have been relocated, with Division E remaining as the more eastern side of Mississauga and Division C the more northern part of Mississauga along with Milton and Halton Hills. Maps below.

To ensure that each area has a minimum of 4 clubs in good standing as of July 1, a few clubs have been relocated to other areas or divisions.

Regards

Cathy Herschell, DTM, PDD
