The District Leadership Team should be proud of strong renewals, minimal club loss, and new clubs chartered.

It's great to see many clubs already distinguished, with others close by either completing education goals or membership targets. DCP goals remain key indicators of club quality and performance.

District success is a team effort therefore thank you to the core leadership team, Division and Area Directors, and all club officers for your dedication.

And most importantly, thank you to our members as you are the heart of Toastmasters.

District 86 stands on a strong foundation. Best wishes to the incoming leadership team and all members for the year ahead.

Respectfully Serving,

Bhushan Rele, DTM
